

TEXAS CHAPTER

The Dixon Challenge

New at the Austin Golf Classic, we are offering the Dixon Challenge this year. Learn more on how to play and WIN!

1. As each group of golfers arrives, the Dixon representative will provide you with a free Dixon Earth golf ball and then challenge you to try their golf ball against the eco-friendly Dixon Earth ball. Just for participating, you will receive more than \$150 worth of products and certificates from Dixon and our partners, as well as be entered into a drawing to win a free golf simulator (\$27,000 value). Cost to play the Challenge is \$10.
2. Each golfer who accepts the challenge will be awarded one extra shot. Should either shot land on the green, they will receive one sleeve of Dixon Earth golf balls (\$10 value).
3. PLUS, 20% of the gross revenue will go to a charity supported by SEMI.
